

An example of validated voiding score system: The Dysfunctional Voiding Scoring System
(Adapted from Farhat 2000)

Over the last month	Almost never (0)	Less than half the time (1)	About half the time (2)	Almost every time (3)	Not applicable (NA)
I have had wet clothes or wet underwear during the day	Ipsum				
When I wet myself, underwear is soaked					
I miss having a bowel movement every day					
I have to push for my bowel movements to come out					
I only go to the bathroom one or two times each day					
I can hold onto my pee by crossing my legs, squatting or doing the "pee dance"					
When I have to pee, I cannot wait					
I have to push to pee					
When I pee it hurts					

Parents to answer. Has your child experienced something stressful like to example below?
