

## **Updated March 7, 2022**

Covid is still dangerous in some patient populations. The health and safety of our patients is always our top priority. Beth and Leatha have received their full vaccination and booster. For the safety of all, Covid precautions below will remain in effect. Please transfer to telehealth if you have any chance of an exposure or symptoms. [Check out more information on Telehealth](#)

This policy will be under constant review with guidance from CDC and professional organizations for the health and safety of patients and staff.

### **Procedure for attending therapy Beth Shelly PT and Therapeutic Massage by Leatha**

- All patients and staff will be wearing a face mask
- Unvaccinated patients will not be sitting in the waiting room – call the office from the parking lot when you arrive. Keep the AC on during the hot weather. You will be escorted directly to the treatment room.
- Fully vaccinated patients – may come into the waiting room no more than 10 minutes before your appointment time. Please do not come into the office more than 10 minutes before your scheduled time.
- Upon entering, please clean your hands with the hand sanitizer
- As much as possible PT and MT patient will be scheduled so as to minimize a large number of patients in the office at the same time.
- Beth Shelly PT has policies for cleaning and social distancing in the office
- Massage clients, please shower before your appointment

### **Screening questionnaire**

*All answers must be “No” before patient can be seen in the office*

- Have you been near anyone who has tested positive for Corona Virus?
- Have you been near anyone who has symptoms of Corona Virus?

Have you had any of the following symptoms any time in the past two weeks?

- Fever (100.4)
- Cough
- Shortness of breath or difficulty breathing
- Chills

**Please call and cancel if you have any doubt about whether you have symptoms or have possibly been exposed.**
